CID Trading Ltd's Ethical Sourcing Policy (ESP) aim is to ensure that our suppliers meet or exceed appropriate minimum ethical and social standards.

The ESP is designed to ensure that the company buys its products from suppliers that can demonstrate awareness and adherence to relevant and appropriate social and ethical standards.

We will also seek to ensure that our suppliers are aware of the impact of their operations on the environment and will encourage its suppliers to monitor any such impacts with a view to adopting minimisation measures.

The company will take reasonable and practical steps to monitor supplier activity in order to ensure that standards, which could impact adversely upon the local or global environment, are not compromised.
